- Software Programming

Asindu Theekshana

SYSTEM DEVELOPMENT AND IT EXECUTIVE

PROFILE

Highly motivated and passionate network engineer with a strong background in computer networking, I have successfully completed an NVQ4 course in network engineering and gained valuable experience as a network technician. As a self-employed entrepreneur for the past four years, I have pursued further education, completing a comprehensive two-year ICT diploma course in Software Technology, Network Technology, Web Development, Database Management, Graphic Design, and System Analysis. Currently serving as the IT and System Development Executive at York Graduate Campus - Kelaniya, I contribute to innovative solutions while pursuing a Bachelor's degree in Network Engineering at CINEC Campus. With a deep passion for computer networking and a commitment to staying at the forefront of industry advancements, I bring enthusiasm, self-motivation, and strong teamwork abilities to any project or organization, ensuring exceptional results and technological excellence.

WORK EXPERIENCE

York Graduate Campus - Kelaniya | IT Executive
2022 – Present
